PROFESSIONAL PROFILE

B.Tech Information Technology student (graduating 2028) building responsive full-stack applications, AI-oriented tools, and database-backed user experiences. Hands-on experience with React, TypeScript, Vite, Supabase, Firebase, and deployment workflows. Interested in developing practical, user-focused digital products and continuously strengthening software development skills.

TECHNICAL SKILLS

Languages & Web	JavaScript, TypeScript, HTML5, CSS3, C, Python (basics)
Frontend	React.js, Vite, Tailwind CSS, Responsive Design, DOM Manipulation
Backend & Data	Supabase, Firebase, PostgreSQL, Authentication, CRUD Fundamentals
Tools	Git, GitHub, VS Code, Vercel, Figma, Debugging, API Integration, Prompt Engineering

SELECTED PROJECTS

SOLARA — Solar Smartwatch Concept

nanii-solara.vercel.app

Designed a responsive wearable-technology showcase highlighting solar-charging hardware, battery-optimization metrics, and product features.

HELIOWATCH — Smartwatch Commerce Showcase

nanii-heliowatch.vercel.app

Built a modern smartwatch showcase with dynamic product specifications, pricing tiers, and mobile-first shopping interactions.

INTERNSHIPS & EXPERIENCE

CODSOFT — Web Development Intern **Jun 2026 – Jul 2026**

4-week virtual internship | Certificate ID: ac97b84

Developed modern frontend components and responsive web interfaces using HTML5, CSS3, and JavaScript best practices.

INTERNSHIP STUDIO (iStudio) — Website Design & Development **Completed Jun 2026**

Certificate Number: ISWDT3223674

Completed hands-on website design and development training focused on frontend UI architecture and web usability.

FLYRANK AI — Technical Contributor **Ongoing**

In-progress technical and development engagement

Contributing to ongoing technical and development work.

EDUCATION

Bachelor of Technology — Information Technology **2024–2028**
NRI Institute of Technology, Vijayawada, Andhra Pradesh **CGPA: 8.20 / 10.0**
Pursuing

Intermediate — MPC **2022–2024**
Board of Intermediate Education, Andhra Pradesh **Completed**

Secondary School Certificate (SSC) **2022**
Board of Secondary Education, Andhra Pradesh **Completed**

CERTIFICATIONS & ACHIEVEMENTS

- **ASTRA Hackathon 2026** — Certificate of Participation, Coding Club NRI Institute of Technology & MTX Technology Partner (21 Sep 2026).
- **Quantum Computing Workshop & Hackathon** — Brainovision, NRIIT, AICTE, T-Hub & NASSCOM (Sep 2025).
- **Developing with Blockchain** — Skillsoft (27 Mar 2026).
- **GenAI Powered Data Analytics** — TATA / Forage (15 Mar 2026).
- **Software Engineering Job Simulation** — JPMorgan Chase & Co. / Forage (15 Mar 2026).
- **Robotics and Controls** — Johnson & Johnson MedTech / Forage (15 Mar 2026).
- **Basics of Python** — Infosys Springboard (15 Mar 2026).
